Make saving simple—one step at a time

With so much competing for your time and budget, it's easy to put saving on hold. Taking a few minutes today to start saving can help to keep your goals on track.

It's easy to do with the . Just follow these simple steps:

1. Pick a savings rate that works for you—even small amounts add up over time.
2. Sign in and add this rate to your account—the money comes out of your paycheck *automatically*.

Then each year, consider increasing your savings rate. You can make changes to your account at any time.¹
