Hello, as you get older, you need different things from your investments. In the early years, it's all about growth potential, but by the time you reach retirement age, making your money last may be a bigger priority—which brings us to this week's tip.

Retirement-readiness tip

Take [our risk quiz](#) to help you understand how much risk you're comfortable taking with your investments. After completing the quiz, you'll receive a suggestion for the type of investment portfolio that may be suitable for you. You can then use this information to help check if your current investments reflect your quiz results and goals. If not, consider making changes to help align them.
